

SHREVEPORT HOMESCHOOL SPORTS CROSS COUNTRY

Dear Community Leaders and Friends:

Shreveport Home School Sports (SHS) is a Christ-centered organization with a vision to provide competitive sports programs for home-educated junior high and high school athletes. This program is made possible through the work of volunteers.

SHS Track and Field will be competing against area public schools, private schools and other home school teams in Louisiana, Texas, and from around the entire country at the Home school Nationals in Springfield, MO. We are members of The Association of Christian Educators of Louisiana (ACEL) a league of Christian Schools and Home School groups in Louisiana. Funds to cover the costs of maintaining a competitive high school athletic program come from the registration fees of the players and from the support of *sponsors* like you.

Your sponsorship will be used to supplement registration fees and provide for uniforms, equipment, facility fees, meet entry fees, insurance, etc. We would like all interested families to be able to participate regardless of their financial situation.

Each year the Cross Country team orders "fan shirts". These shirts are worn by parents, siblings, friends, and as well as our athletes. This year we are providing the opportunity to help support the team and our athletes by "buying space" on the back of our t-shirt. We have two sponsorship levels:

\$100 – We will list your company or organization name on the back of the tee.
\$200 – We will add your company or organization logo prominently on the back of the tee (approximately 3"x3" square). Want a larger "ad"? Feel free to purchase more squares!

The deadline for logo submittal is ASAP. Please email a high resolution logo file to track@shreveportforce.com.

Thank you for your consideration and sponsorship.

Sincerely,

Eric Wilkes
